Subject heading	Cllr. Ms Barrowman returned to the subject of transparency, and objected that the decision to return the £5K to the school was not Minuted. The Clerk located the Minute and read it out, along with the Minute of the decision to postpone involvement in the speed platform – both decisions having been taken by email. Cllr. Ms Marshall advised the meeting that the SSGB would now be put on hold, and drew the attention of those present that a member of the public appeared to be taking their own notes. The Chairman now insisted that a line be drawn and the meeting move on to other matters. The Chairman pointed out that the new dog bin in Love Lane was in the wrong place. He would give the Clerk the precise location required so that she could ask SDC to move it
Proposal to Site Prefabricated Classroom Unit on School Playing Field	It was recorded that North Yorkshire County Council had withdrawn this application because it was recommended for refusal on the grounds that very special circumstances for justifying development in the green belt had not been demonstrated. This was also the Parish Council's reason for objecting to the proposal, which objection was lawfully and legitimately made.
Dates of Future Meetings	These were set for Thursdays 19th June and 24th July 2014.
