The Current D.1.  
Application by  
Saxton School

This was the single item on the agenda, and it was discussed at length. The decision to oppose the application was unanimous, and the Clerk would write to North Yorkshire County Council.

Confidential

Present were all parish councillors, the Clerk and former councillor, Clare Barrowman.

A confidential meeting took place after the above meeting to discuss further the removal or continued inclusion of the two addenda attached to the Minutes of the 8th May 2014

This issue had been discussed at the confidential session of the 14 May 2015; however, former Cllr. Barrowman had not been able to make representation at that meeting and this meeting took place to allow her to do so.

Ms Barrowman made her case that the addenda should be removed stating that information was included within them that might be prejudicial to her interests in future.

Ms Barrowman and the Clerk then left the meeting.

The Parish Council then discussed the matter and again and resolved that the addenda should remain within the Minutes (4 votes to 2). The prime reasons given were that they provide context and are referred to in the Minutes.

The meeting then considered and confirmed that the Minutes for the April meeting in respect of the Complaints Committee should be those drafted by Cllr. Marshall. This would meet the decisions of the confidential session of the 14 May 2015. The meeting concluded at 9.00 p.m.
