

To consider whether to
obtain a Public Access
Defibrillator

Whilst this was considered desirable in principle, drawbacks were highlighted such as the difficulty in finding sufficient volunteers. Church Fenton and Ulleskelf parishes already have a defibrillator, and the Clerk was instructed to contact them for their input

Date of next meeting

this was already set for Tuesday the 17th November 2015

Confidential Item -
Clerk's Payment

The Treasurer reported that he had now heard from hmrc, and would be able to raise a cheque within the next few days. It was observed that for the present tax would be taken at the standard rate. It was also agreed that the monthly work of paying the clerk and reporting to hmrc would be given to the firm of accountants where Cllr. Mr. Wilson works, at a cost of £5 per month.
